

# Deepening Our Consent: Centering Prayer Retreat for Men and Women

February 17-19, 2012  
Therese M. Saulnier  
Offering: \$250-\$275

Centering Prayer is a prayer of consent. When we consent to God's presence and action during our Centering Prayer periods, our relationship with God and our consent deepen. Our consent to God's presence and action begins to manifest itself outside of the periods of Centering Prayer. This silent retreat will explore the power and meaning of consent in our relationship with God. It will also explore two spiritual practices which help to deepen our consent: the active prayer and the practice of intention/attention. Periods of Centering Prayer are included in the retreat. This retreat for men and women begins with a buffet dinner from 6:00-8:00 p.m. on Friday evening and concludes around noon on Sunday.

**Therese M. Saulnier** has been praying Centering Prayer for over 20 years. She has been teaching Centering Prayer and other contemplative prayer practices for over 18 years. She is a member of the Contemplative Outreach, Ltd. faculty. Therese presents workshops in Centering Prayer, *Lectio Divina* and other contemplative practices. She has been coordinator of Contemplative Outreach activities for New Jersey for 19 years. Therese holds a Master of Arts degree in Theology with a concentration in spirituality from Fordham University and is a web developer for a major corporation.
